Subject Index

Volume 30

A

Active learning, on-line discussion boards to promote, 1:32
Acute care nursing course, simulation to teach patient safety in, 4:172
Advocacy skills, legislative, in baccalaureate education, 3:109
Aggressive students, managing, 3:98
Archived Webcast technology, 1:6
Assessment courses, online, seven principles of effective teaching and, 5:221
Assessment techniques, 4:137

B

Baccalaureate education. *See also* RN to BSN education
  accelerated second bachelor's degree students and, 2:65
  collaborative track option for, 2:57
  intervention studies to promote success on NCLEX-RN and, 4:166
  legislative advocacy skills in, 3:109
Birth, enhancing student appreciation of personal meaning of, 4:155
Bloom's taxonomy, revised, to teach thinking skills involved in diagnostic reasoning, 3:117
Book reviews
  Applying Nursing Process: A Tool for Clinical Reasoning, 6:238
  Nursing Against the Odds: How Healthcare Cost Cutting, Media Stereotypes, and Medical Hubris Undermine Nurses and Patient Care, 4:184

C

Career choice, empowering students to choose nursing as career and, 3:95
Chemical dependence, in students, 3:89
Class participation, 2:45
Clinical experience
  alternative settings for, 6:263
  cognitive dissonance in novice clinical students and, 2:76
  focus groups and reflective journaling in hospice experience and, 3:93
  mental health nursing with hospice patients and, 2:85
  poverty and, 4:143
  service-learning across curriculum and, 5:191
  simulation to teach patient safety, 4:172
  student and RN partnered, 6:240, 6:271
  unsatisfactory performance in, 3:91
Clinical orientation manual, 2:47
Clinical Partner Model, 6:271
Clinical reasoning, teaching, 6:235
Clinical strategies, service-learning and, 1:9
Cognitive dissonance, in clinical nursing students, 2:76
Cognitive restructuring, as model for teaching pain management, 5:226
Collaborative track option, for baccalaureate education, 2:57
Collegiality, teaching via peer-to-peer mentoring, 2:52
Committee participation, by faculty, 3:89
Community assessment board game, 5:189
Community health nursing
  alternative settings for, 6:263
  Integrative Clinical Preceptor Model for teaching, 1:21
Compassion, gestation of, 1:1
Computerized comprehensive nursing exam, predicting success on NCLEX-RN with, 4S
Computer skills, quick assessment of, 2:50
Critical care nursing course, simulation to teach patient safety in, 4:172
Critical thinking
  of advanced practice students, measurement of, 4:139
  ROTC training and, 1:37
Cultural awareness, service-learning for developing, 5:197
Curriculum
  maturation and transformation of, 2:80
  predicting success on NCLEX-RN with computerized comprehensive nursing exam and, 4S
Curriculum implementation process, 2:69

D

Diagnostic reasoning, thinking skills involved in, revised Bloom's taxonomy to teach, 3:117
Disabilities, functional, student exposure to, 4:141
Disadvantaged students, affirming, 1:27
Distance education
  archived Webcast technology for, 1:6
  video applications for, 1:40
Diversity, 1:4
  affirming disadvantaged students and, 1:27
  generational, 5:212
  service-learning for developing cultural awareness and, 5:197
  student retention and, 1:17

E

Endowed chairs in nursing, roles, responsibilities, and outcome expectations of, 4:178
Environmental health risk, in home, assessing, 3:104
Ethics committees, benefits of serving on, 3:123
Evidence-based practice, teaching strategies for applying, 3:127

F

Faculty
  benefits of serving on hospital ethics committees and, 3:123
  as coaches, 4:159
  committee participation by, 3:89
  controversy among, 5:187
  endowed chair roles, responsibilities, and outcome expectations and, 4:178
  newly hired, strategies for retaining, 6:251
  ownership of teaching materials and, 6:232
  perceptions of reading assignments, 2:62
  roles of, 6:231
Feature films, using to teach, 3:113
Focus groups, in hospice experience, 3:93
Frustrations, of students, handling, 3:89
Functional disabilities, student exposure to, 4:141

G

Games, educational, 6:247
Grievance handling, for student grievances, 2:73

H

Health Education System, Inc. (HESI) exam, 10S, 21S

fourth annual validity study of, 28S
predicting NCLEX-RN outcomes using, 4S
predictive accuracy of, 16S
progression and remediation policies and, 46S
progression benchmark and remediation guide and, 49S
reliability and validity overview of, 39S
successful remediation following repeated failures on, 54S
Health risk, environmental, in home, assessing, 3:104
Home, environmental health risk in, assessing, 3:104
Hospice care
focus groups and reflective journaling in hospice experience and, 3:93
mental health nursing with patients in, 2:85
Hospital ethics committees, benefits of serving on, 3:123

I

Integrative Clinical Preceptor Model, 1:21
International perspectives, nursing in Turkey and, 3:101

J

Journaling, reflective, in hospice experience, 3:93

L

Learning Achievement Program, 1:17
Learning approaches, generational diversity and, 5:212
Legislative advocacy skills, in baccalaureate education, 3:109
Libraries, online virtual reference instruction and, 6:242

M

Mental health nursing, with hospice patients, 2:85
Mentoring, peer-to-peer, 2:52

N

NCLEX-RN
intervention studies to promote success on, 4:166
predicting outcomes of. *See* Health Education System, Inc. (HESI) exam
Nursing research
online virtual reference instruction and, 6:242
quantitative, worksheet for critiquing, 6:255
Nursing Success Program, evaluation of, 5:217

O

Older nurses, reflections during graduation, 3:97
Online courses, assessment, seven principles of effective teaching and, 5:221
Online discussion boards, to promote active learning, 1:32
Online virtual reference instruction, 6:242

P

Pain management, cognitive restructuring as model for teaching, 5:226
Patient safety, clinical simulation to teach, 4:172
Peer-to-peer mentoring, 2:52
Personal digital assistants
in nursing education, 4:150
preparing text fro reading using, 5:193
Poverty, clinical experience and, 4:143
Pregnancy, enhancing student appreciation of personal meaning of, 4:155

Q

Quantitative nursing research, worksheet for critiquing, 6:255

R

Reading assignments, faculty perceptions on, 2:62
Reasoning
clinical, teaching, 6:235
diagnostic, thinking skills involved in, revised Bloom's taxonomy to teach, 3:117
Reflective journaling, in hospice experience, 3:93
Research. *See* Nursing research
RNs, partnering with students for clinical experience, 6:240, 6:271
RN to BSN education
classroom-based, transitioning to Web, 5:208
RN perspective on, 1:12
ROTC training, teaching critical thinking skills through, 1:37
Rumors, dealing with, 6:233

S

Safety, clinical simulation to teach, 4:172
Scaffolding student learning, teaching strategies for, 5:203
Service-learning, 1:9
across curriculum, 5:191
for developing cultural awareness, 5:197
Skin, assessment of, teaching strategy for, 5:195
Student frustrations, handling, 3:89
Student retention
diversity and, 1:17
Nursing Success Program for, 5:217

T

Teaching materials, ownership of, 6:232
Teaching methods
adherence to, 6:259
cognitive restructuring as model for teaching pain management, 5:226
Integrative Clinical Preceptor Model as, 1:21
Teaching portfolio, 4:137
Teaching strategies
for applying evidence-based practice, 3:127
focus groups in hospice experience as, 3:93
generational diversity and, 5:212
reflective journaling in hospice experience as, 3:93
for scaffolding student learning, 5:203
for skin assessment and documentation skills, 5:195
Teaching tools
clinical orientation manual as, 2:47
community assessment board game as, 5:189
feature films as, 3:113
games as, 6:247
Technology. *See also* Online *entries*
Archived Webcast technology, 1:6
personal digital assistants in nursing education and, 4:150
preparing text for reading using PDAs and, 5:193
quick assessment of computer skills and, 2:50
transitioning classroom-based RN-BSN education to Web-based education, 5:208
video applications for online education, 1:40
Thinking skills
of advanced practice students, measurement of, 4:139
involved in diagnostic reasoning, revised Bloom's taxonomy to teach, 3:117
ROTC training and, 1:37
thinking processes and, 3:133
Turkey, nursing in, 3:101

U

Unsatisfactory clinical performance, 3:91

V

Videos, for distance learning, 1:40
Vygotsky's zone of proximal development, scaffolding student learning and, 5:203

W

Web-based education, transitioning classroom-based RN-BSN education to, 5:208
Webcast technology, archived, 1:6

Z

Zone of proximal development, scaffolding student learning and, 5:203
